

Millennial Milestones

The Millennial Milestones Project will offer training, resources and parish grants for strengthening young adult ministry. The “kickoff” conference promises to give parish leaders the knowledge and tools to create solutions within parish life that will connect you to young adult Catholics (ages 18-35). Of the many opportunities that the Church has to welcome and journey with young adults, this project will focus upon five Millennial Milestones:

- Post Confirmation engagement
- The college experience
- Adult Confirmation
- Marriage
- Infant Baptism

The project is funded by the Foundation of the Roman Catholic Diocese of Buffalo. Parish grants are available. Take the first step in the process by attending or come for enrichment. ALL ARE WELCOME!
